

PRODUCT DATA SHEET

STIMULANT

ALG•A•MIC

WHAT IS ALG•A•MIC™

Stress-free, happy plants generally produce larger fruits. And Alg•A•Mic™ comes to the rescue if they've suffered from overfeeding, deficiencies, diseases or fluctuations in temperature. It also ensures green leaves, by stimulating chlorophyll absorption.

Seaweed extracts in Alg•A•Mic™

As early as 3000 B.C., seaweed has been harvested for food, medicine and fertiliser. Alg•A•Mic is™ is a revitalizing product, made from a high grade, organic seaweed concentrate extracted through cold pressing, rather than chemical solvents. This high level of natural nutrition caters to the whole spectrum of a plant's needs, resulting in plenty of verdant green foliage.

BOTTLES

250ML, 500ML, 1L, 5L, 10L

SETTING

-  INDOOR
-  OUTDOOR

PHASE

-  GROWING
-  BLOOMING
